## HOW MUCH SHOULD I CONTRIBUTE & HOW EASY IS IT TO DONATE?

**We need your help to support the goals of the MVMS community! We are asking for a suggested donation of \$250 per student. This amount is only suggested. However, donations of every size are welcomed & appreciated. Please know that every dollar donated will stay at Mesa Verde.**

If this is financially challenging for your family, please reach out to your friends and close relatives to help reach this goal. We have created a **99 Pledges** account for each student to make this as easy as possible. Your child can create their own profile with a link to share and they can earn fun rewards and prizes.
